

E Course / Kofu / Gotemba Area

Mt. Fuji International Marathon 2025 Original Wind Jacket Included (one per person)

Traveling from the Tokyo area on the morning of the race day involves considerable risks due to both distance and potential traffic congestion. (Shinjuku – Kawaguchiko: approx. 105 km) We recommend this course for those who wish to stay as close to Kawaguchiko as possible. On the race day, we will provide a chartered bus to take you to the marathon venue.
